... area winners of National Merit Scholarships

## 17 Area Seniors Named Merit Scholars

Seventeen Washington area high school seniors have been named Merit Scholars of 1959 in the Nation's largest scholarship competition.

Abigail Dembitz

Eleven are among the 750 who will share, along with colleges, in more than \$3.5 million in financial assistance from the National Merit Scholarship Program. The other six are among 100 seniors who received honorary awards. The Honorary Merit Scholars are those who decline the financial aid because they have accepted other scholarship offers or because they plan type of training not covered by the Merit program. The District itself has only one public high school represented among the winners.

The winners, their home addresses, the area schools they attend, their projected fields of study and the colleges they plan to enter, are:

**DISTRICT**  
Abigail Dembitz, 3414 Oakfield st. nw., Western High School, science, Radcliffe College.
